

FILIP GRANEK NAMED POLAND'S EY ENTREPRENEUR OF THE YEAR!

Founder and CEO of nanotechnological company XTPL S.A. has won Poland's most prestigious entrepreneur award. He received the award for his work on breakthrough technology, which has a serious chance to change the world for the better. He also won in the New Business category. The prize was awarded for the use of his own scientific experience to create a product that is innovative on the global scale. Next year Filip Graneke will go on to vie for the title of the world's best entrepreneur in Monte Carlo at the EY World Entrepreneur of the Year Awards.
