## HOW TO USE THIS FORM

- Shareholders are asked to issue voting instructions by inserting an “X” in the appropriate box of the form and in relation to each indicated resolution of the Annual General Meeting of Shareholders of XTPL S.A. with headquarters in Wrocław.
- If the “Other” box is ticked, shareholders are asked to specify in it detailed instructions on how the proxy voting rights should be exercised.
- In the event that the shareholder decides to cast different votes from the shares held, in accordance with the entitlement arising from Article 411<sup>3</sup> of the Commercial Companies Code, the shareholder is obliged to indicate in the appropriate box of the form (and for each resolution) the number of shares from which the proxy is to vote “for”, “against” or “abstain” from the vote.
- If no number of shares is indicated (when the voting is to vary), it will be understood that the proxy is entitled to vote in the indicated manner from all the shares held by the shareholder.
- Note: Draft resolutions put to vote during the Annual General Meeting of XTPL S.A. with its registered office in Wrocław may differ from those presented on the Company's website. For the avoidance of doubt as to how the proxy should vote in such a case, it is recommended to specify in the “Other” column how the proxy should act in such a situation.
