Topic: Conclusion of an agreement for distribution of the Issuer's technological solutions in Great Britain and Ireland

Legal basis: Article 17(1) MAR – inside information

Contents of the Report: The Management Board of XTPL S.A. ("Issuer", "Company", "XTPL") reports that on 6 July 2021 an agreement was signed between the Issuer and Semitronics Sales Ltd. based in the UK ("Semitronics"), providing for distribution of the Issuer's technological solutions in Great Britain and Ireland ("Agreement").

Under the agreement, Semitronics will be the distributor of XTPL's technological solutions in the British and Irish market. Thanks to the cooperation with the Semitronics, the Company's technology and products will continue to gather momentum in R&D centers, scientific institutions and technological corporations operating in Great Britain and Ireland. The partnership will also increase awareness and visibility of the Issuer's solutions among global market players.

Semitronics was founded in 2013 in collaboration with Semimetrix Ltd. in response to the needs of the growing markets of printed and flexible electronics, semiconductor, nanotechnology and photovoltaics within the UK region. The entity specializes in additive technologies and the search for innovative solutions dedicated to the printed electronics segment.

British Isles are among the largest potential markets in Europe for the Issuer's technology and, in the opinion of the Company's Management Board, the distribution agreement will facilitate commercialization of the XTPL technology in that territory.

The Issuer's Management Board has decided that the conclusion of the Agreement is inside information, as its implementation may have a significant impact on the Issuer's future income position, promotion of the Company's technological solutions in that market, and the Issuer's perception by investors. For this reason, in the opinion of the Management Board, the information about conclusion of the Agreement meets the criteria set out in Article 7(1) of the MAR.
