

ESPI Current Report

Number: 17/2021
Date: 4 October 2021
Company: XTPL S.A., a joint stock company with its registered office in Wrocław

Topic: Selection of the Issuer's offer in the tender procedure for delivery of a system for integration of raw materials in photonic applications

Legal basis: Article 17(1) MAR – inside information

Contents of the Report: The Management Board of XTPL S.A. (the “Company”, the “Issuer”) reports that on 4 October 2021 the Company learned that the Łukasiewicz Research Network – PORT: Polish Center for Technology Development [the “Employer”] selected the Company’s offer in the public procurement procedure conducted as an unlimited tender.

The Company’s offer concerned the sale, delivery, commissioning of, staff training and maintenance support for the system for integrating raw materials in photonic applications. As part of the offer, the Issuer proposed its proprietary Delta Printing System.

The value of the offer is PLN 612,000.00 net. The project revenue will have a positive impact on XTPL’s financial performance in 2021.

Once the agreement is signed with the Employer, the Company will communicate this fact by a separate current report.

The Management Board of XTPL S.A. has decided that the selection of the Company’s offer is inside information due to the significant value of the offer and its importance in the context of the Company’s current business size. Furthermore, implementation of the project will have an influence on the Issuer’s future financial position.

Signatures of the Company’s representatives:

Jacek Olszański
MANAGEMENT BOARD MEMBER
