

ESPI Current Report

Number: 47/2023
Date of preparation: 6 September 2023
Company: XTPL S.A., a joint stock company with its registered office in Wrocław

Title:

Delta Printing System sold to Research Institute of Tsinghua University in Shenzhen, China

Legal basis: Article 17(1) MAR – inside information

Contents of the Report:

The Management Board of XTPL S.A. (the "Issuer", "Company", "XTPL") reports that on 6 September 2023 the Company confirmed another order from Yi Xin (HK) Technology Co., Ltd based in China ("Yi Xin", "Distributor") for delivery of the Delta Printing System device. Yi Xin is a distributor of the Company's technological solutions. (Current Report No. 4/2021 of 15 April 2021).

The Issuer accepted the Distributor's order, which means that a sales contract was formed. The Company will deliver and commission the device in the first half of 2024.

The end buyer of the device will be China's leading R&D center Research Institute of Tsinghua University in Shenzhen, China [the "End Customer"]. The device will be used in the work on chip 3D interconnects.

This is the tenth transaction to sell the Delta Printing System in the Chinese market, the sixth transaction this year. All transactions were completed in cooperation with the Distributor. The revenue from the most recent order for the device will have a positive impact on XTPL's financial performance in 2024.

Accordingly, for the reasons described above, in the Management Board's opinion the information disclosed in this current report meets the criteria of inside information within the meaning of Article 7(1) MAR.
