Contents of the Report:

The Management Board of XTPL S.A. ["Issuer", "Company", "XTPL"] announces that on September 8, 2023, a non-exclusive distribution agreement for the Issuer's technology solutions ["Agreement"] was signed between the Issuer and Detekt Technology Inc. based in Taiwan ["Detekt"].

In accordance with the Agreement, Detekt will act as a distributor of XTPL's technology solutions in Taiwan. The cooperation is aimed at supporting the Issuer in finding more and more applications for the Company's technologies and products in technology corporations and R&D centers and scientific units. The partnership will also contribute to increasing awareness and recognition of the Issuer's solutions among global players in the semiconductor and display technology market.

Detekt Technology Inc. is a Taiwan-based distributor of devices offering additive technologies, operating in the market since 2003. After 20 years of experience, the company is considered an expert in solving complex challenges in research projects as well as in the production of advanced electronics, offering complementary solutions of leading printing technologies. XTPL S.A. will join Detekt Technology Inc.'s portfolio, complementing the company's offering with laboratory and industrial equipment offering unique capabilities for printing functional materials at unrivaled resolution.

In view of the above, in the opinion of the Board of Directors, the information on the conclusion of the Agreement meets the criteria indicated in Article 7(1) of the MAR Regulation.
