

## Sale of Delta Printing System equipment to Ontos Equipment System INC in the USA

The Management Board of XTPL S.A. ["Issuer", "Company", "XTPL"] announces that on December 18, 2023. The Company has confirmed an order placed by Ontos Equipment System INC, based in the USA ["ONTOS"] for the delivery of a Delta Printing System ["DPS"] device. ONTOS is an entity that provides the Company with distribution services for XTPL S.A.'s technology solutions. (RB 50/2023 dated October 5, 2023). The Issuer has accepted the order placed by the Distributor, which is tantamount to concluding a sales agreement. The Company will deliver and commission the indicated device in the first half of 2024.

ONTOS, the distributor of the Company's solutions, is the ultimate purchaser of the DPS device. The DPS device will be used in the R&D laboratory of ONTOS and ONTOS' partners in the US for work on advanced microassembly of semiconductor chips, particularly in the area of so-called hybrid-bonding.

Revenues generated from the current device order will have a positive impact on XTPL S.A.'s financial results achieved in 2024.

The Issuer's Management Board considered the sale of the DPS device to a significant market to be confidential information, as its realization may have a significant impact on the Issuer's future revenue situation, the popularization of the Company's technological solutions, as well as the perspective of investors' perception of the Issuer.
