

## Sale of Delta Printing System device to the University of Surrey in the UK

The Management Board of XTPL S.A. ["Issuer", "Company", "XTPL"] announces that on December 20, 2023. The Company has confirmed an order placed by the University of Surrey in the United Kingdom for the supply of a Delta Printing System ["DPS"] device. The Issuer has accepted the placed order, which is tantamount to the conclusion of a sales agreement. The Company will deliver and install the indicated device in 2024.

The Delta Printing System device will be delivered to the Advanced Technology Institute at the University of Surrey, where, in particular, scientific research will be carried out in the area of flexible and printed electronics or reliability of electronic devices.

Revenues generated from the current device order will have a positive impact on XTPL S.A.'s financial results achieved in 2024.

The Issuer's Management Board considered the sale of the DPS device to be confidential information, as its realization may have a significant impact on the Issuer's future revenue situation, the popularization of the Company's technological solutions, as well as the prospect of investors' perception of the Issuer.

For the reasons described above, the information provided in this current report, in the opinion of the Issuer's Management Board, meets the criteria for confidential information within the meaning of Article 7 (1) of MAR.
