Sale of Delta Printing System equipment to University in Northeast region of USA

XTPL S.A., a joint stock company with its registered office in Wrocław

Legal basis:
Article 17(1) MAR – inside information

The Management Board of XTPL S.A. ["Issuer", "Company", "XTPL"] announces that on 17 September 2024, the Company confirmed an order placed byUniversity in the Northeast region of the, USA ["Customer"] for the delivery of a Delta Printing System ["DPS"] device. The DPS device will be used for research and development projects in the field of semiconductor packaging technologies.

This is the second transaction concluded as a result of the activities of the subsidiary XTPL Inc. based in Boston, USA ["XTPL Inc."], which will also handle the transaction operationally. The opening of XTPL Inc.'s Boston office is part of the Company's strategy adopted in November 2023 (CR No. 54/2023 dated 22 November 2023).

Revenues generated from the current device order will have a positive impact on XTPL S.A.'s financial results achieved in 2024.

The Issuer's Management Board considered the sale of the DPS device to a significant market to be confidential information, as its realization may have a significant impact on the Issuer's future revenue situation, the popularization of the Company's technological solutions, as well as the perspective of investors' perception of the Issuer.
