Sale of Delta Printing System equipment to Åbo Akademi University in Turku, Finland

XTPL S.A., a joint stock company with its registered office in Wrocław

Legal basis:
Article 17(1) MAR - confidential information

The Management Board of XTPL S.A. ["**Issuer**", "**Company**", "**XTPL**"] announces that on 19th of November 2024, the Company confirmed an order placed by Åbo Akademi University in Turku, Finlandii ["**Customer**"] for the delivery of a Delta Printing System ["**DPS**"] device. The DPS device will be used for research and development projects in the fields of photonics and biomedical electronics.

Revenues generated from the current device order will have a positive impact on XTPL S.A.'s financial results achieved in 2024.

The Issuer's Management Board considered the sale of the DPS device to be confidential information, as its realization may have a significant impact on the Issuer's future revenue situation, the popularization of the Company's technological solutions, as well as the perspective of investors' perception of the Issuer.

For the reasons described above, the information provided in this current report, in the opinion of the Issuer's Management Board, meets the criteria for confidential information within the meaning of Article 7(1) MAR.
