

Entering into a non- exclusive agreement to distribute the Issuer's technology solutions in Singapore, Malaysia, Thailand, the Philippines, India, and Vietnam.

The Management Board of XTPL S.A. [“**Issuer**”, “**Company**”, “**XTPL**”] announces that on August 6th, 2025, a non-exclusive distribution agreement for the Issuer's technology solutions [“**Agreement**”] was signed between the APP Systems Services Pte. Ltd. with headquarter in Singapore [“**APP**”, “**Dystrybutor**”]

Under the signed Agreement, the Distributor will advertise and sell XTPL's technology solutions in Israel. The cooperation is intended to support XTPL in finding new Customers in academia and industry as well as seeking broader applications for its technologies and products and will focus on introducing solutions in semiconductors, biotechnology, and optics.

APP Systems Services is a distributor and integrator of laboratory equipment with over 40 years of experience. It strengthens its position through its presence in seven countries, collaborating with research and development units in both the academic sector and providing solutions for industry. It supports customers in the fields of biotechnology, optics, and semiconductors with products, services, and manufacturing. As part of the collaboration, the distributor will promote XTPL solutions to its existing and new customers.

The Issuer's Management Board considered the fact that the Distribution Agreement in question was concluded to be confidential information, as its implementation may have a significant impact on the Issuer's future revenue situation, the popularization of the Company's technological solutions, as well as the prospect of investors' perception of the Issuer.

In view of the above, in the opinion of the Management Board, the information on the conclusion of the Agreement meets the criteria indicated in Article 7(1) of the MAR Regulation.
