

Sale of Delta Printing System equipment to Purdue University in USA

The Management Board of XTPL S.A. [“**Issuer**”, “**Company**”, “**XTPL**”] announces that on 15 December 2025, the Company confirmed an order placed by Purdue University in the USA [“**Customer**”] for the delivery of a Delta Printing System [“**DPS**”] device. The DPS device will be used for research and development projects in the field of smart sensors and IoT devices.

Revenues generated from the current device order will have a positive impact on XTPL S.A.'s financial results achieved in 2025.

The Issuer's Management Board considered the sale of the DPS device to a significant market to be confidential information, as its realization may have a significant impact on the Issuer's future revenue situation, the popularization of the Company's technological solutions, as well as the perspective of investors' perception of the Issuer.

For the reasons described above, the information provided in this current report, in the opinion of the Issuer's Management Board, meets the criteria for confidential information within the meaning of Article 7(1) of MAR.
